

To Our Dance Family,

March 12, 2020

As the Worldwide Leader of Talent Competitions, the safety and health of our children, families, staff, and the community are of *utmost importance*. The Star Dance Alliance regrets to confirm the postponement of 45 SDA events in 45 cities around the globe, for the next two weekends, effective immediately.

The Star Dance Alliance will take a two-week hiatus (weekends of March 13-15 and March 20-22) to determine the next steps moving forward in these times of uncertainty due to COVID-19 concerns. We urge everyone to follow the guidelines put in place by our Public Health Officials. Please know this was a very difficult and painstaking decision to make.

Once we know of any future plans, you will be contacted directly.

Thank you for your continued support, and we look forward to seeing you on an SDA stage soon.

Sincerely,

TEAM STARPOWER
