As the worldwide leader in the dance industry, we enter into our 2021 Season with our continued commitment to keep all performers, teachers, parents and staff members safe. The Star Dance Alliance would like to assure you we will continue to follow the safety guidelines set forth by health authorities and local government agencies to do so.

As it is impossible to determine what the world guidelines and policies will look like at the beginning of the 2021 competition season, we cannot guarantee how we will schedule our competitions. The Star Dance Alliance created a ‘Block Scheduling’ format (where each studio is assigned a specific time slot for all of their dancers to perform their routines) for our events held during the summer and fall of 2020 that was extremely successful. If circumstances dictate, we could continue with the block scheduling, or we could return to our regular scheduling format. Regardless of how we schedule, we will be taking time to clean and sanitize to keep everyone safe.

If we are to use the Block Scheduling format for any event, we may have to alter registrations to accommodate the extra time that it adds to a daily schedule. The following are POSSIBLE options to accommodate those time needs:

- We reserve the right to limit solos to 1-2 per dancer.
- We reserve the right to reduce the maximum number of entries permitted to register for a competition.
- We reserve the right to extend the competition into the evenings prior to the scheduled Friday of the event.

As competition time draws closer, we will be able to better determine which direction we will need to take. NO decisions will be made on scheduling until after January 1, 2021.

WE CANNOT WAIT TO SEE YOU IN 2021!!
